3rd September 2019

Dear Parents

As an exciting Entry Point to our new topic 'Amazing Animals', we will be bringing the curriculum to life for our children by visiting West Midland Safari Park. This will be a Science based visit where the children will have first-hand opportunities to name and identify a range of wild animals as well as take part in an expert led workshop about animal's homes. We will also be developing children's historical awareness when visiting The Land of the Living Dinosaurs. After visiting the Safari Park, as part of English lessons, the children will be writing recounts about their visit.

The visit is arranged for **Thursday 12th September**. We will leave school at 9.15am and we will be back at the later time of 4.30pm.

Our school cook will automatically provide a packed lunch for all children. Please indicate on the attached slip your child's sandwich choice.

On the day of the visit the children should wear their school uniform, a waterproof coat and suitable footwear to walk on surfaces that may be uneven or slippery at times. The children **will not** need to take any money on the visit.

We would be grateful for a voluntary contribution of **£15.50 per child** to cover the entrance fee and insurance. Under the requirements of the Education Act 1988, we can only raise the cost of the visit by voluntary contributions. There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay. However if the school is unable to raise enough funds for an activity or visit then it will be cancelled. If you are on low income you may be entitled to funding to support the costs of the visit. Please speak to the school office.

Please complete and return the tear off slip by **Tuesday 10th September**.

Yours sincerely

C Davies
