Dear Parents/Carers,

I am delighted to share that Wrockwardine Wood Infant School and Nursery have been Awarded the Primary Science Quality Mark!

Primary Science Quality Marks have been awarded to over 300 nursery, infant, junior, primary, middle, international and special schools this month to celebrate their commitment to excellence in science leadership, teaching and learning. So far, since its national launch in 2010, more than 5000 Primary Science Quality Marks (PSQM) have been awarded, creating a solid foundation of quality science education for over 1,000,000 children.

PSQM is a comprehensive evidence-based professional development programme that effectively develops science leadership, ensuring teachers have the knowledge, capability and support they need to transform science education and shape future generations.

A special thank you goes out to our Science Lead, Mrs Prinold for her exceptional leadership and dedication to promoting a high standard of science education in our school.

The Primary Science Quality Mark is led by the University of Hertfordshire.

Helen Sizer, PSQM Co-Director said: *'By enabling effective science leadership, PSQM is powering the potential of all children to see the relevance and importance of science in their lives, now and in the future. Schools that have achieved a Primary Science Quality Mark have demonstrated a significant commitment to science leadership, teaching and learning and the profile and quality of science in each accredited school is very high. Science subject leaders, their colleagues, headteachers, children, parents and governors should be very proud.'*

Thank you for your continued support, which makes accomplishments like this possible.

Yours sincerely,

Mrs Jenny Gascoigne. BA (Hons) PGCE

Executive Headteacher
