'Love, Laugh, Learn'

11 January 2025. Spring Term: Week 2

A Message from the Headteacher

Dear Parents and Carers,

What an exciting start to the term it has been! This term, we are focusing on making our school even more active as part of the **'Creating Active Schools'** initiative. (Please click on the logo below to find out more) Our staff have busy planning some amazing activities designed to make learning not only engaging but also full of movement and energy.

Children can look forward to outdoor learning sessions, a range of 'happy lunchtime' activities, movement breaks in lessons, and even active assemblies. These activities are all aimed at keeping children active, enhancing their well-being, and making school a fun and dynamic place to learn. I have been delighted to see breakfast club children starting their day with movement to music—it's such a positive way to set the tone for an active and happy day!

In addition to these exciting plans, we're thrilled to announce that we've opened our school library this week! It has been wonderful to see children learning how to use the library correctly, exploring our collection of books, and treating this space with care and respect. Fostering a love of reading alongside our focus on active learning is a key priority for us.

Finally, we would value your feedback on our after-school provision. Please find a link to our After School Feedback Form on page 3 of the newsletter. Thank you in advance.

Have a great weekend,
Kind regards,

Mrs Jenny Gascoigne
Executive Headteacher

After-School Clubs Review

Due to the very popular demand, we are currently reviewing how we manage bookings, offer places, and accept payments for after-school clubs, as we are keen to ensure the process is as fair and accessible as possible for all families.

As part of this review, we would really appreciate it if you could take some time to share your views regarding future clubs by completing a short online questionnaire.
